

## Michael O'Callaghan Building Contractor

Date 13<sup>th</sup> July 2016.

Dear Hayden,  
Re:- Georgian Chapter – Testimonial.

I Michael O'Callaghan, Building Contractor, engaged the services of Costelloe Windows for installing Town House windows, French Doors, and windows for the renovation of the dwelling house in South Circular Road, Limerick.

Choosing Costelloe Windows was a great decision as Hayden was helpful and professional from start to finish. The standard of work carried out by the fitters was very satisfactory. They were punctual and reliable at all times.

Overall I am very pleased with the standard of work and professional service I got from Costelloe Windows. I would with confidence recommend their windows and doors in the future.

Yours sincerely,
